Projects

12/2024 – 05/2025

Nordic Cultural Tourism Research Project

Finland

- **Localized User Insights & Feedback Loop:** Conducted in-depth qualitative interviews with Finnish residents and international visitors to analyze regional cultural nuances, behavioral expectations, and user preferences within the Nordic ecosystem. **Nordic Social Media Strategy:** Translated user feedback into actionable, evidence-based localized communication framework and social media growth strategies, directly optimizing content delivery channels to match Nordic audiences' consumption habits.
- **Community-Oriented Engagement:** Generated structured consumer persona reports to support community-driven marketing initiatives, driving higher user activation and sustained audience engagement for local destination branding.

Professional Experience

11/2023 – 08/2025
China

Content Creator & Community Operator

Xiaohongshu (RED) Platform

- **Social Media Content & Operations:** Managed and curated educational account matrices ("Kaoba 167") on social platforms; designed daily content strategies that drove consistent audience engagement, with top posts achieving **10,000+ views**.

- **Community Growth & Retention:** Built high-retention user communities from scratch; formulated structured interaction frameworks to enhance user stickiness, successfully converting followers into **500+ paying students** for personalized services and video courses.
- **Data-Driven Optimization:** Utilized **Python** for web scraping, keyword frequency analysis, and sentiment analysis to monitor user comments and trace emerging trends; transformed data insights into optimized content calendars to maximize user interaction rates.

01/2023 – 09/2023
Guiyang, China

Partner

Cross-Industry E-commerce Startup (Closed)

- **Overseas Market Intelligence:** Conducted comprehensive market research and quantitative data analysis on overseas markets (UAE) via platforms like **Amazon, TikTok, and Instagram** ; mapped out competitive landscapes and decoded consumer demand for specific product trends (e.g., beauty and lifestyle accessories).
- **Localization & Growth Strategy:** Formulated localized market-entry and sales growth strategies, achieving **30%+ sales growth** on international e-commerce channels within six months.
- **Influencer Coordination & Marketing:** Leveraged social media and influencer marketing (KOLs/KOCs) on Instagram and TikTok to amplify brand awareness, drive user growth, and gather first-hand user feedback.
- **Cross-Functional Operations:** Coordinated seamlessly with cross-functional partners across marketing, logistics, and product development (including product sourcing from 1688) to align project execution with long-term business goals.

01/2021 – 05/2022
Guiyang, China

Marketing Specialist

Guiyang Commercial Optimization Center

- **Stakeholder & Project Coordination:** Built strategic partnerships with leading multi-industry enterprises (e.g., Wanda Group) and government bodies ; organized high-level business conferences to ensure smooth, structured communication and resources alignment among diverse stakeholders.
- **Data-Driven Decision Support:** Conducted quantitative and qualitative analyses to generate actionable, data-driven insights , successfully supporting large-scale strategic collaborations and contributing to commercial deals exceeding **€25 million**.

06/2019 – 09/2019
Changsha, China

Marketing Intern

Dowell (Real Estate Company)

- Coordinated social media marketing campaigns to increase brand exposure.
