📄 SUMMARY

Business Development professional with hands-on experience in **cross-border e-commerce**, international business development, and strategic partnership management. Built a UAE-focused e-commerce business from the ground up by **conducting market research, sourcing suppliers, selecting products, and managing cross-border logistics**.

Experienced in developing relationships with enterprises, suppliers, and government organizations, with a proven record of supporting commercial projects worth over **RMB 200 million**. Skilled at identifying business opportunities, understanding client needs, negotiating partnerships, and building long-term business relationships.

With international study experience in **Finland and France**, I have a strong understanding of overseas markets, DTC business models, and consumer behavior. Fluent in English and passionate about helping brands expand globally through strategic business development and market-driven growth.
